ERS EVENT RENTAL SYSTEMS

FULLSTEAM

ARE PAYMENTS PAINFUL FOR YOU?
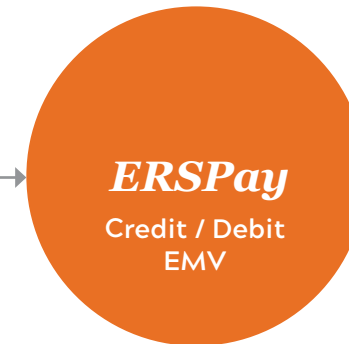

Do you have these problems?

- Bank deposits are never what you expect
- Reconciliation is a TOTAL hassle
- Statements are impossible to understand
- New fees almost every month
- You don't know who to contact for support, and your vendors are pointing fingers at each other
- You call for credit card support, you're on hold forever, and you never get the answer you're looking for

We've solved all of these problems ...

... by developing our own payments platform, tightly integrated with ERS software, and supported by the same team of experts you contact for ERS software support.
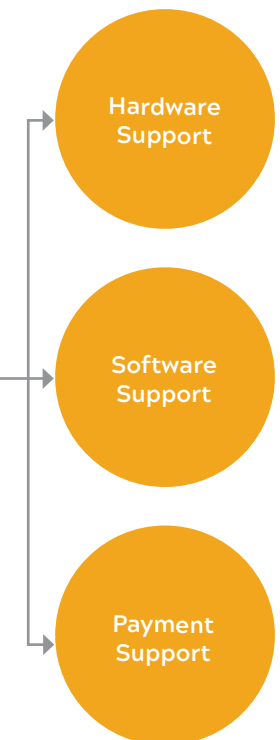

- Fully integrated payments reporting and reconciliation gives you all the information you need in one place
- No more finger pointing between the software vendor and your credit card processor
- Accurate information is instantly available, improving staff work quality and efficiency
- You contact ERS for everything
