

## Would you like to put the FUN back in FUNdraising?

Let's have a Party. With our *KINDAS* Party Bracelet program (available in Savannah, Fort Stewart, Richmond Hill & Liberty, Chatham, Bryan, Jasper, and surrounding areas and counties in Georgia, South Carolina, and Florida) you can have fun & make money too. Please call for other Counties

Here's how it works. The school, nonprofit, or church picks a night Monday - Friday to have a school church party or carnival. (Because these are popular events and heavily schedules we offer a maximum of 3 parties per year per school, nonprofit, or church). You can request to have it Saturday or Sunday also. Please request rates for this days

You will sell *KINDAS* Party Bracelets \$15.00 - \$20.00 depending on the area. Every person receives unlimited play, 1 Cotton Candy, & 1 Pop Corn. Additional items may be purchased at the event by parents, etc. Sno Kones and Nachos to be sold at event or be pre-paid.

Three weeks before the event you start advertising and selling bracelets. A minimum of 100 must be sold in order to have the event...but that's easy because EVERYONE wants to come.

*KINDAS* Amusement Source furnishes 9 or more inflatables depending on the amount of sold bracelets (M thru F) or 7 or more (Sat or Sun), Pop Corn, Cotton Candy, Nachos, Sno Kones other agreed upon items & a supervisor. The school or church provides an attendant for each play station and help with setting up and tearing down the equipment.
