# ITS THE VA WAY

We are excited to announce the beginning of our 2020-2021 Vogue Athletics season. At VA we are committed to being the "difference" in cheerleading. We strive to grow athletes on an individual basis. We know that no two athletes are the same and it is our mission to enable every athlete to shine in their best light. Ultimately providing them with the support and confidence it takes to be successful in sports but also in life!

Our motto is "Work Hard, Be Kind, Stay Humble." Each year we strive to grow and learn together as we work toward becoming the best we can possibly be! Throughout Vogue Athletics we have several world class coaches and athletes, with multiple World Cheerleading Championships!

We can credit a great deal of this success to our top level coaches from multiple countries, all working toward our shared goal of excellence for Vogue Athletics.

We are excited to be launching our newest location in Albuquerque, NM.
