## Bozo Buckets

### Attendants Read Here:

1. One adult attendant is required to monitor the game at all times.
2. Do not leave the game unattended at any time.
3. Maintain a 5 foot clearance between the player and the spectators.
4. Do not use the game in high winds or any other inclement weather conditions.
5. Do not use the balls for any other purpose other than to toss them into the buckets.
6. Make sure that spectators do not trip over the buckets or get in the way of the balls that are being tossed.

### Scoring Bozo Buckets:

Players try to toss the balls into all the buckets starting with the first one and finishing in the last bucket. Once a player misses a bucket, their turn is over. A player wins the game by tossing one ball into each of the buckets consecutively.

- 1 point First bucket
- 2 points Second bucket
- 3 points Third bucket
- 4 points Fourth bucket
- 5 points Fifth bucket

### How to Assemble Bozo Buckets:

1. Select a flat area 3' wide x 10' long.
2. Electricity is not required.
3. Place the board on the ground.
4. Attach the buckets by using the Velcro that is attached.
