## Frisbee Throw

### ATTENDANTS MUST READ HERE:

1. One adult attendant must supervise the game.
2. Do not leave the game unattended at any time.
3. Do not use in high winds or other unsafe weather conditions.
4. The unit must be securely staked at all times.
5. If indoors sandbags can be used to stabilize the unit.
6. Use caution that spectators do not get in the way of the participant throwing the Frisbee.
7. Other small, lightweight items like tennis balls or sandbags can be used to throw through the target. Sometimes the Frisbees are difficult for the younger guests to toss.

### TO ASSEMBLE THE GAME:

1. Select a level area.
2. The dimensions of the game are: 8'W x 4'D x 8'H.
3. You must allow plenty of space around the game for a line to form and safety for the spectators.
4. Place the two "A" frames about 6' apart.
5. Connect them at the top using the round bar that holds the yellow target sheet.
6. Attach the red mat to the bottom of the "A" frames using the thumb screws provided.
7. Attach the black mesh net to the back of the "A" frames using the ball bungees on the net. It will be tight.
8. Stake down the frame.
9. If windy, the front target sheet can be attached to the "A" frames using the bungees attached.
