Tent with Sidewalls

Two tent styles are available, and the right one depends on your event size and how "finished" you want it to look.

EZ Up (10x10 or 10x20): A simple pop-up canopy on four legs. Fast to set up, good for smaller backyard gatherings or as shade over a food table.

A-Frame Canopy (10x20 up to 40x60): A frame tent with no center pole, giving a fully open, unobstructed space underneath. This is the style used for weddings and dance floors.

Canopy Walls can be added for wind and temperature control, along with bistro lighting and LED uplights for evening events.

How Many Guests Fit Under Each Size?

Based on general event-industry planning guidelines for a seated dinner with tables and chairs.

Tables & Chairs

Fall Favorite: Antique Farm Table

Fall and Thanksgiving events lean into a warmer, rustic look, and our 8' Antique Farm Table (Fruitwood) is the most requested piece for that feel. Pair it with Fruitwood or Oakwood resin-style chairs, or go all-in with the Fruit Wood Farm Dining Package.

Tables

6' Standard and 8' Banquet
Round (48", 60", 72")
30" Cocktail Table
7' Serpentine Bar Table
4' Portable Bar
8' Antique Farm Table
Kids Table & Children's Picnic Table

Chairs

Premium Resin Padded
Fan Back
Fruitwood/Oakwood Resin-Style
Antique Cross Back
Royal Throne Chair
XL Padded Fabric Folding
Kids sizes available

Tip: Don't forget a serving table or gift table in your count, they're easy to overlook. Corporate events should add a check-in table too.

Patio Heaters

Our patio heaters include a built-in LED light and run on propane (included in the rental price), lasting approximately 8 to 10 hours per tank. Every unit includes tip-over and overheat protection.

Tip: A great complement to any kind of backyard event, especially once the sun goes down and temperatures drop.

If your event lands on a warmer fall day instead, Cooling Misting Fans are also available.

Dance Floor

Available in Oakwood, Checkered, White, and Black finishes. Dance floors are popular year-round, not just in fall, so booking early is worth it if one's part of your plan.

What Size Do You Need?

Floor Size	Total Event Guests	Dancing at Once
12' x 12'	Up to 100	30-40
15' x 15'	Up to 150	50-60
18' x 18'	Up to 200	70-80

21' x 21'	Up to 275	100+
24' x 24'	300+	120-140

Good to know: A level surface is required for safety, no exceptions. Installs directly on indoor floors, concrete, or asphalt. A subfloor is available for grass or dirt.

Perfect for quinceañeras, sweet sixteens, weddings, receptions, corporate events, school dances, proms, and community festivals.

Table Linens

Linens are available for round tables, rectangle tables (4', 6', and 8', in both standard drop and floor-length), and cocktail tables, plus cocktail spandex, 6' rectangle spandex, and table runners, all in dozens of colors.

Fall Colors Already In Stock

Terracotta, cinnamon brown, burgundy, wine, gold, and chocolate, if you want your linens to match the season without special ordering.

Tip: Linen color is one of the easiest last-minute changes. Customers regularly swap colors closer to the event date without touching the rest of their order.

Bounce House

Options range from single bounce houses to combo units that add a slide, plus Standard, Premium, and Deluxe Park Packages for larger events.

Fall & Halloween Favorites

3D Pumpkin 13x13, Royal Fun 13x13, Magma 13x13, Blue/Gray Marble 13x13, Pixie 11x11 (great for younger kids), Jurassic Island Combo, and Animal Kingdom for the little ones.

Tip: A combo unit (bounce plus slide) covers more ages in one footprint than a standard bounce house alone.

Games & Activities

Three ways to keep guests entertained, from classic lawn games to full obstacle courses.

Yard Games: The Yard Game Bundle Package includes Giant Jenga, Giant Connect 4, and Cornhole in one order. Basket Pong, Jumbo Pong, and PutterBall Golf Pong are also available individually.

Interactive Inflatables: Dual Lane Lumberjack Axe Throw, Triple Threat Sport Zone, Batter Up, and Criss Cross Basketball Challenge bring carnival-style energy to any event. The Ultimate Soccer Darts Challenge is the most popular of the bunch.

Obstacle Courses: The Infinite Obstacle Course comes in 38', 70', and 100' lengths, a consistent favorite for fall festivals.

Concessions

A Nacho Cheese Dispenser, Popcorn Machine, Hot Dog Roller, and Cotton Candy Machine are all available individually, an easy way to round out a fall event without planning a full meal.

Fall Tip

Orange cheese from the nacho dispenser and orange cotton candy both play right into the fall color palette. Request orange cotton candy or a specific popcorn flavor ahead of time so we can have it ready.

The Hot Dog Roller means dinner is basically covered, just add hot dogs and you're set.

Portable Restrooms

Our standard unit uses a freshwater flush system, a real flush, not what most people picture with a typical porta-potty. Clean, hygienic, and reliable for outdoor events. For larger gatherings or weddings, the 4-Stall Luxury Restroom is available.

How Many Units Do You Need?

Based on general event-planning guidelines.

Guest Count	Event Length	Recommended
Up to 75 guests	Under 4 hours	1 Flushable Unit
75-150 guests	Under 4 hours	2 Flushable Units
150+ guests, or 4+ hours	Extended	4-Stall Luxury Restroom

Tip: Worth adding for any event at a venue or park without easy restroom access, not just for guest count reasons.
